

A Note from the Principal

Dear Briarcrest Families,

The Briarcrest Staff and I look forward to working with you and your child(ren) in creating a learning community where together we make a difference. Whether you are new to our school or returning, you are fortunate to be part of a dedicated, committed, and caring group of students and adults.

We need the energy and expertise of the total community to prepare today's young people to become tomorrow's productive and responsible citizens. Our school is committed to high standards, and we welcome you as partners in achieving our school goals.

At Briarcrest, we believe that "The Future is in our Paws". I encourage you to contact me if you have any questions or suggestions for our school. Please review this handbook with your child to help you get ready for an excellent school year.

Sincerely,

Jonathan Nesson

Principal
