Rating: * * * *

Story Summary: This is about Angel and Bernie Morgan. One night their mother leaves them at their great-grandma's house in Vermont. At first, Angel is very upset. She doesn't like it and neither does Bernie. Then school starts. Bernie and grandma are quite attached to each other. Then their mother comes and takes Bernie away! To find out how this book ends, read it!

Review: I would give this book 4 stars because it was wonderful and touching, but I have read some better books. This book was very touching and it was very heart-warming also. I would recommend this book to anyone who likes to be touched.

Story Summary: The Same Stuff as Stars is a breathtaking book. It's about Angel and Bernie. They live with their mom. Their dad is in jail. The mom leaves them at their grandma's and they have to live there until they grow up. Their grandma is a friend with a guy that looks at the stars. Angel meets him and becomes interested in the stars.

Review: I gave this book a 4. I liked all the changes that suddenly happened. I didn't like it because I like adventure books a little more.
