**Story Summary:** This book is about a bunch of kids who live with the Thief Lord. This person wants them to steal something valuable. When they try to take it they get caught. They make a deal so they can see the magical carousel. Something strange happens to Thief Lord, but you will have to read the book to find out what it is.

**Review:** The Thief Lord is an OK book. It has cool characters. My favorite is Hornet because she is nice. The setting is also a good one: Venice. I would give this book 2 stars. It is a nice book, but I have read better books.
