

**October 24, 2008**

**This is a Kellogg Broadcast email. Please do not respond to this email address, as this account is not monitored.**

**Can't find your paper? Sure you turned it in? Did you use the proper Kellogg Naming Convention?**

**Parents you can help remind your students the proper way to name their electronic papers as they turn them in to their teachers Drop Folders on the district server.**

**What is Kellogg's Naming Convention?**

**Period#\_lastnameinitial\_AssignmentName**

**Example:**

**5\_simpsonb\_landforms**

**Waiver Days** – District staff have 5 waiver days from the state to work the goal of increasing levels of student achievement. Please see the Kellogg website under Principal Reports – Staff Tab for a detailed description of what staff are working on during the Shoreline Waiver days this year.

**Shoreline Foundation Phonathon** is October 26<sup>th</sup>. The Shoreline Foundation supports Kellogg in many ways. This year our building goals grant of \$1818.00 will support Reading Intervention, Study Island Math Support, Mentor for Kellogg Students and Technology training for staff to support the continued enhancement of instruction and academic learning through the integration of technology and the use of SMART Boards in the core classrooms at Kellogg.

Thanks for the community Support at **McTeacher's Night!** We raised over \$670.00 for the Kellogg ASB.

**November PTSA Meeting** moved to November 6<sup>th</sup> 7 PM in the Kellogg library due to the Presidential election on November 4<sup>th</sup>.

**Study Island Online Math Parent Training** – November 13, 7:00 – 8:00 PM room 801  
Study Island online math program is aligned to the state standards grades 3 – 8. Students may work at their own pace at school or at home gaining additional practice in areas that present challenge for them. Training open to all Kellogg parents and guardians.

**LAP Parent Meeting** – November 13, 6:30 – 7:00 PM Kellogg Library. Meeting by invitation only. This is a reminder to attend the meeting this evening to review the Learning Assistance Program for eighth grade math students striving to meet standard in math. Families received a letter informing them about the program the week of October 27.
