

What is our goal at Homework Lunch?

100% Homework turned in!

Who qualifies?

All students can access Homework Lunch. *Students who have not turned their homework in on time are given this opportunity to be successful and students who would like to do their homework in a quiet place may also use room 204.*

How does Homework Lunch Work?

1. Teacher notifies student that he/she has been referred to Homework Lunch in Room 204 during their lunch period prior to the HW lunch date.
2. Student or teacher fills out Homework Lunch form with **First and LAST** student names.
3. Five minutes before the lunch period, an all call for Homework lunch students to be released to get their lunches and report to room **204**.
4. If the student finishes their homework, it will be collected and placed in the teacher's box. Then the student is allowed to return to the activity/lunch room.
5. If the student does not complete the assignment, they are expected to return the following day with the homework or to complete the assignment in Room 204 the next day.
6. Students should turn referred assignments into HW lunch once it is complete, NOT their teacher – so the referral slip may be cleared.
7. Students attending HW Lunch are monitored to see if additional interventions are needed. This list will be monitored every two weeks. **Parents are notified if students are “no shows” to HW lunch through an automated phone call.**
8. If after 5 days the student has not completed their assignment, the form will be returned to the teacher for a call home to the parent or guardian.
9. Reminder slips will be sent from the office in the morning to “No Show” students.
