

Self Evaluation

Answer the following questions for your self evaluation.

- Type the question, then the answer (just like you did with your proposal).
 - For each question, please write a minimum of 3 sentences ***including 2 or more specific examples from your project that support your answer.***
1. Did you meet the goals that you set for yourself in your original proposal written in September? Do you feel that you created a quality final product? Why or why not?
 2. What are the 3 main strengths of your final product?
 3. What do you feel could have been improved in your final product? Discuss 3 areas of improvement.
 4. How did the research affect the outcome of your final product?
 5. What was the most challenging part of your project?
 6. What was the most rewarding part of your project?
 7. How will you apply what you have learned to your future education, career, or hobby?

Choose one of the following categories that relates to your project and answer the following questions:

For Leadership Related Projects:

8. How far in advance was the event planned and how did your planning affect the outcome?
9. What organization and leadership skills did you apply during your project? How did your leadership skills improve?

For Performance/Sports/Hobby/Skill/Arts/Creativity/Technical Related Projects:

8. How did practice affect the outcome of your final product?
9. What specific new skills did you develop? Or, how did your skills improve?

For Writing Related Projects:

8. Describe the pre-writing process that you went through. How did this process affect your final product?
9. Describe the editing process for your final product. How much did your document change throughout this process?
