	Senior Consumer Economics	12			

- NOTES** (A) On this checklist, year-long courses are divided into two semesters.
 (B) Shorecrest requires 22.5 credits to graduate (15 credits in required courses and 7.5 credits in elective courses). A student must also satisfy the "Other Graduation Requirements" listed above.
 (C) When a requirement has been met, any other course passed in that subject area is counted as an elective.

¹ The Fine Arts Requirement can be met by passing Art or Music classes - or - by passing Visual Tech, Photo, or Video Production classes in the CTE Department, or Drama classes in English.
² The Occupational Requirement may be satisfied by taking Business Tech/Marketing, Family & Consumer Science, Industrial Tech, or Visual Tech courses in the CTE Department.
³ Washington State History is often satisfied in middle school. If a student did **not** pass this course, he/she must take a Government or Senior Civics course.

See back of page for "Checklist for Four-Year College Planning"

CHECKLIST FOR FOUR-YEAR COLLEGE PLANNING

If you plan to attend a Washington State four-year public college or university the fall after you graduate from Shorecrest, you need to plan for the following college admission requirements while you are in high school:

ENGLISH	four years or eight semester classes
MATHEMATICS	three years or six semester classes (through at least Integrated Math 3)
SCIENCE	two years or four semester classes;
SOCIAL STUDIES	three years or six semester classes
WORLD LANGUAGE	two years or four semester classes (in the same world language)
VISUAL/PERFORMING ARTS	one year or two semester classes

NOTE: These are the minimum high-school course pattern requirements for public baccalaureate institutions in the State of Washington - some have more specific requirements. See the Shorecrest Registration Guide for more information. Requirements for private and out-of-state institutions vary, and may exceed these requirements. Check information from these individual institutions.
